\*In accordance with clause 4 of the Konica Minolta Standard Terms and Conditions (affixed to the Konica Minolta Order Form), annual increases of Fees are capped at the above percentages for each devices listed in this table.

^OneRate fees are based on the average usage of the selected model across Konica Minolta's customers. Fees may increase annually where number of prints exceeds this average usage to reflect actual usage.

**Professional Services**

As set out in the relevant Statement of Work or if there is no Statement of Work by an amount equal to the increases in (i) labour costs and third party supplier costs or (b) increases in CPI, whichever is greater.
